

CASTING A WRITE-IN VOTE

On Delaware's *ELECTronic* 1242 Voting Machine

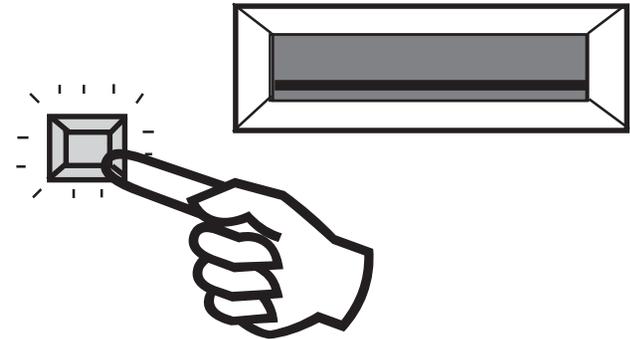

STEP 1:

If you want to make a write-in vote press the WRITE-IN button located in the block for that office. After you have pressed the WRITE-IN button, the red button located above the ballot will begin to flash.

STEP 2:

Press the flashing red button located above the ballot. The WRITE-IN window will open.

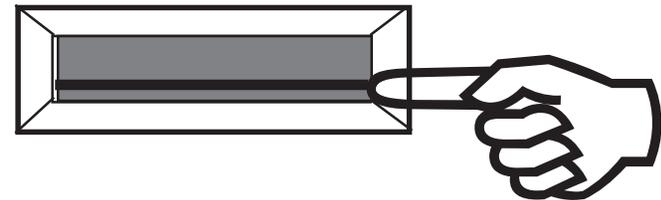

STEP 3:

After the WRITE-IN window has opened, neatly print the full name of the person for whom you want to vote on the paper tape.

STEP 4:

When you are finished, gently pull the WRITE-IN window down until it is closed.

IMPORTANT: Once you have pressed the flashing red button in Step 2, you must cast your vote for that office by writing in the name of the candidate for whom you want to vote.
