Primary Election Polling Place changes

The Department of Elections – New Castle County Office made the following adjustments to Polling Places for the September 15th Primary Election because facilities declined to serve as a Polling Place due to COVID-19 concerns. We regret that these changes were necessary.

Election Districts 03-01 and 03-06

Hilltop Lutheran Neighborhood Center declined to serve as a Polling Place for the September 15th Primary. The Polling Place was initially moved to DEL Tech's Wilmington Campus, and then after community reaction due the distance to DEL Tech it was moved to Holy Trinity Greek Orthodox Church, 808 N Broom Street, Wilmington 19806. Polling Place cards were mailed to all registered voters in these Election Districts on September 2, 2020 informing them of the move to Holy Trinity Greek Orthodox Church.

Election District 04-07

Westminster Presbyterian Church declined to serve as a Polling Place for the September 15th Primary. The Department of Elections moved the Polling Place to Luther Towers I-1201 N Harrison St. Polling Place cards were sent to all registered voters on September 2, 2020 informing them of the move to Luther Towers – I.

Election District 09-11

Crossroads Presbyterian Church declined to serve as a Polling Place for the September 15th Primary late last week. The Department of Elections moved the Polling Place to Lorewood Grove Elementary School, 820 Mapleton Ave, Middletown 19709. Polling Place cards were not sent to registered voters in this Election District because the change occurred when it was too late to send them before the Primary.
